FULLY SATISFIED

FEBRUARY 2024

***"I will reward them with a long life
and give them my salvation."
Psalm 91:16 NLT***

God wants every one of us to live a long life. We should live until we are fully satisfied. The Bible reveals those who lived for God lived long until they were fully satisfied. Yet, we see many die young or in their prime, never having the opportunity to fulfill their destiny on the earth. The good news is, we don't have to die prematurely. We can live long and strong, leaving here fully satisfied that we have finished our race.

WE SHOULD LIVE FOR GOD

Our priority in life should be to live in God's will. Living for God comes with a reward as we see in Psalm 91:16. ***"I will reward them with a long life."*** (NLT) The promise of long life is repeated throughout the Scriptures. Proverbs 3:1-3 says, ***"My child, never forget the things I have taught you...if you do this you will live many years, and your life will be satisfying."*** (NLT) Having our life cut short by sickness or accidental death is not the will of God. He wants us to live long until we are fully satisfied. In Exodus 15:26, God promised Israel that He would be their physician. He also promised them that if they ***"serve only the Lord your God...I will protect you from illness...and I will give you long, full lives."*** (Exodus 23:25-26 NLT) We can stand on these promises!

STAND AGAINST DECEPTION

Jesus told us He came to give us abundant life, but he also warned us that we have an enemy who comes to ***"steal, kill and destroy"***. (John 10:10) The devil is deceptive and will try everything to trick people into believing that long life is not available to them. Jesus described him as ***"a liar and the father of lies"***. (John 8:44 NLT) To live long and strong, we must contend for the promises of long life and ***"fight the good fight of faith"***. (1 Timothy 6:12)

IS IT YOUR TIME TO DIE?

A deceptive belief you may have heard is this: "There is a predetermined time to die and when it's your time, there's nothing you can do about it." This is not true according to scripture. Many even quote Hebrews 9:27 to support this idea: ***"it is appointed for men to die once, but after this the judgment"***. (NKJV) This verse doesn't state that we have a specific time to die, but rather that our mortal life will end one day. God doesn't set a predetermined time for you to die. The Bible shows us we can either extend or shorten our life. In fact, Ecclesiastes identifies two ways we can shorten our lives: ***"Do not be overly wicked, Nor be foolish: Why should you die before your time?"*** (Ecclesiastes 7:17 NKJV) Living recklessly and breaking natural laws can shorten your life. Life is a gift we should nurture and protect!

HOW LONG CAN YOU LIVE?

Psalm 90:10 states that a person will live 70 or 80 years. This coincides with statistics, as the average human lifespan is between 70 and 80 years. However, if you are not satisfied, there is biblical precedent to believe to live longer. Let's look at the account of King Hezekiah in the book of Isaiah who was facing a death sentence. Instead of accepting this as his finality, he turned his face to the wall to pray to God with tears. ***"When Hezekiah heard this, he turned his face to the wall and prayed to the Lord"***. (Isaiah 38:2) As a result, the Lord healed Hezekiah, giving him fifteen more years of life on the earth. ***"I have heard your prayer and seen your tears. I will add fifteen years to your life."*** (Isaiah 38:5 NLT) This encourages us to always trust God and believe for more healthy years, especially when you know your work on earth is not done. Claim this promise: ***"Even in old age they will still produce fruit; they will remain vital and green."*** (Psalms 92:12-14 NLT)

LIVE LONG AND STRONG

You can live long and serve others like David. *“For David, after he had **served his own generation** by the will of God, fell asleep...”* (Acts 13:36 NKJV) You can believe to be strong and vibrant in your old age like Caleb, who came out of Egypt and lived to possess his inheritance in the Promised Land. *“Today I am **eighty-five years old**. I am as **strong** now as I was when Moses sent me on that journey, and I can **still travel and fight as well as I could then**. So give me the hill country that the Lord promised me...”* (Joshua 14:10-12 NLT)

In closing, when we search the promises in the Bible, we can be confident that God wants us to live long, productive and satisfying lives. This is a promise you can claim for yourself: *“I (like David) will **die in a good old age, full of days, riches, and honour**”.* (1 Chronicles 29:28 KJV)
