EXPERIENCE THE HOLY SPIRIT

SEPTEMBER 2025

In the Book of Acts, the Apostle Paul asked the believers at Ephesus this question, “*Did you receive the Holy Spirit when you believed?*” “No,” they replied, “we haven’t even heard that there is a Holy Spirit.” (Acts of the Apostles 19:2 NLT) Why did Paul ask these believers this question? Wouldn’t Paul have assumed that these believers already had the Holy Spirit? Yes, it is correct that the Holy Spirit comes to indwell every believer at the new birth. Paul was speaking to believers, but he was referring to another experience.

We can conclude from Paul’s conversation with the Ephesian believers that there is another experience with the Holy Spirit that is available to believers. This experience is called the baptism of the Holy Spirit. Another term used in the church is the “infilling of the Spirit”. This is an experience subsequent to receiving Jesus for salvation. The Lord Jesus Himself told the disciples about this experience before He departed to heaven. “*John baptized with water, but in just a few days you will be baptized with the Holy Spirit*” (Acts of the Apostles 1:5 NLT). In the second chapter of Acts, the disciples experienced the baptism of the Holy Spirit on the Day of Pentecost, marking the initial arrival of the Holy Spirit upon believers.

“And suddenly there came a sound from heaven, as of a rushing mighty wind, and it filled the whole house where they were sitting. Then there appeared to them divided tongues, as of fire, and one sat upon each of them. And they were all filled with the Holy Spirit and began to speak with other tongues, as the Spirit gave them utterance.” (Acts 2:1-4 NKJV)

In total, there are five recorded experiences in the Book of Acts describing believers being filled with the Holy Spirit. (See Acts 2:1-4, Acts 8:14-17, Acts 9:17, Acts 10:44-46, Acts 19:1-3; 6)

MY PERSONAL PENTECOST

Not long after I became born again, a friend asked me: “Would you like me to pray for you to be baptized in the Holy Spirit?” At the time, I didn’t understand what this was all about. He explained it was a biblical experience necessary for my walk with God. He shared how it would make me stronger spiritually and I would receive a supernatural prayer language to pray in a powerful way. Although I was curious about this

experience, I was reluctant to have my friend pray for me because of my religious background. My immediate response to him was, “You’re not a priest!” He showed me in Acts 2:1-8 that the early believers, including Jesus’ mother Mary, received this baptism. I decided to pray about it for the next month. As I prayed, my hunger grew for the Holy Spirit. About a month later, this friend invited me to a church service. At first, I was reluctant to attend because it was a church outside of my denomination but decided to go anyway. A guest minister was speaking that morning at the small church on the other side of the tracks. I enjoyed what I heard. At the end of the service, something astounding happened to me. The minister approached and asked me, “You want to be filled with the Spirit, don’t you?” I looked at him surprised thinking to myself, “How does he know that?” I first assumed my friend had told the minister about my desire to receive the Holy Spirit, but he assured me he hadn’t. I understood later that the minister perceived this through the supernatural Gifts of the Spirit. When the minister said these words to me, I had an incredible witness on the inside of my heart. I had a feeling of excitement, like bells and lights going off on the inside of me. The minister invited me back to the evening service and I couldn’t wait. My life was about to change!

That night, at the end of the service, the minister invited us to the front of the church for prayer. While standing at the front of the church, I began sensing the wonderful presence of God. I went into a trance-like state, where I was more aware of God than my surroundings, totally enveloped in the cloud of God’s presence. I heard the mighty wind of the Spirit come all over me and felt the power of a mighty river flowing through me. I heard myself speak out in an unusual language without effort. I don’t know how long I was in that state, but I knew that I didn’t want to come out of it. God allowed me to taste a little bit of heaven that evening. I knew what I experienced was truly from the Word of God. I craved it and prayed sincerely for it. I believe this is the reason I received such a powerful infilling!

This experience is not just for a select few but is available to every born-again believer. If you haven’t yet experienced this amazing gift, I

encourage you to ask and receive today. Pray this simple prayer in faith.

PRAYER TO RECEIVE YOUR INFILLING

Father, I thank You that You have sent the Holy Spirit to the earth to be my Divine Helper. I know He dwells within me because I am born again. I desire the infilling of the Spirit so that I can be empowered to serve You effectively and to pray in a supernatural language. Fill me now according to Acts 2:4. I receive this gift now by faith. In Jesus' Name, Amen.

Once you have prayed this prayer, get ready to speak in your prayer language! I also encourage you to attend church services where the gifts of the Spirit are welcomed and practiced. This way you can grow in your understanding of the Holy Spirit and experience more of Him in your daily life!
